IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.22736 of 2008
BINDESHWARI YADAV
Versus
THE STATE OF BIHAR
---

3 **17.07.2008** Heard.

Petitioner is said to be the assailant of the deceased. This is apparently clear from the statement of the deceased himself, who was brought to hospital.

The learned counsel appearing for the petitioner sought to indicate many inconsistencies and contradictions but those could be relevant for the trial court to consider and judge. As regards the allegation and in view of the merit thereof the petitioner being the assailant, the petition is dismissed.
